NOTES:

Events with a * are required for ALL 7th/8th grade band students.
Events with a # are also required events for 8th grade band students.

If a student misses a required event, they are ineligible for the spring trip (Magic Springs or similar place).
Required events are also a significant percentage of the student's grade for the 9-weeks.

Students are only excused from a required event by a doctor's note. A parent note will not be sufficient.
