Section 2

The purpose of this organization shall be to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of Van Buren High School.

Article II: MEMBERSHIP

Section 1

Membership in the organization is an honor bestowed upon a student. Selection for membership is by a Faculty Council and is based on outstanding scholarship, character, leadership, and service. Once selected, members have a responsibility to continue to demonstrate these qualities.

Section 2

Membership of this chapter shall be known as active and graduate. Active members will become graduate members at graduation. Graduate members have no voice or vote in chapter affairs.

Section 3

To be eligible for membership in this chapter, the candidate must have been in attendance for at least one semester at VBHS prior to the semester of invitation.

Section 4

Candidates eligible for selection to this chapter must be members of the junior or senior class. They shall have a minimum cumulative state grade point average of 3.75. This scholastic level of achievement shall remain fixed for all grade levels and shall be the required minimum scholastic level of achievement for admission to candidacy. All students who can rise in scholarship to or above such standard may be admitted to candidacy for election to membership.

Section 5

Upon admission to join the Alfred E. Wallace chapter of NHS, the new member will pay the following one-time membership dues prior to being inducted: Juniors \$40 and Seniors \$40. This covers expenses for the member throughout the member's participation in the organization. The membership dues are non-transferable and are non-refundable.

Article III: SELECTION OF MEMBERS

Section 1

During the fall semester of each year, junior and senior VBHS students, who have a minimum cumulative 3.75 GPA, shall receive an email from the NHS Advisers with instructions to join *Google Classroom*, which will give application details.

Section 2

All eligible students may choose to digitally complete the full application process by the due date set by the NHS Advisers, or students may choose not to submit their completed application by the due date, thus forfeiting their possible selection to the NHS for the current school year. No late submissions will be accepted.

Section 3

All fully completed applications for membership will be assigned a number by the NHS Advisers, and the student's name will be removed for anonymity. Removed names will be secured by advisers for the duration of the selection process.

Section 4

The aforementioned applications for membership shall be reviewed by the Faculty Council. (See Article VII – Section 3).

Section 5

The Faculty Council will complete the selection process. They shall use a rubric to score applications. An application will need 85 out of 100 points on the scoring rubric to be considered for selection. The NHS Advisers may offer advice during the selection process but may not vote.

Section 6

The Faculty Council will decide if a student will receive a “selection” or a “non-selection” for NHS. If a student receives a “non-selection,” the Faculty Council will place in writing their reasoning. Each Faculty Council member does not have to write down his or her individual thoughts, but as a group, they record their collective thoughts.

Section 7

The Faculty Council will then submit their decisions to the NHS Advisers. The NHS Advisers will then check eligibility via attendance and referral forms of students “selected.” Advisers will then inform the principal of these decisions. The principal will either approve or disapprove the selection process.

Section 8

Both the “selected” and “non-selected” students shall be informed via school email by the NHS Advisers of the decisions of the Faculty Council. “Selected” students shall also be notified via email about induction details and dues information. “Non-selected” students who have fully completed the application process (including Teacher Recommendation) shall have the right to appeal to the NHS Advisers via email within three (3) calendar days after the dated email notification. As a reminder, all pillars of the NHS must be modeled when notifying and scheduling a meeting with NHS Advisers.

Section 9

When a “non-selected” student appeals, the NHS Advisers shall review the “non-selected” student’s application, the Faculty Council’s decisions for non-selection, and the Teacher Recommendation. Within three (3) school days, the NHS Advisers will notify the principal of their decision for either admitting the student in question to the NHS chapter or upholding the original decision of the Faculty Council.

Once the principal has approved the NHS Advisers’ decision, the student shall be notified via email. If the student is now “selected” for NHS, then said student will be informed via email regarding induction details and dues. If the student remains “non-selected,” information will be sent via email using the original language provided by the Faculty Council as to why the student was not considered for “selection.” The “non-selected” student may now choose to appeal directly to the principal. “Non-selected” students who have fully completed the application process (including teacher recommendation) shall have the right to appeal to the principal via email within three (3) calendar days after the dated notification from Advisers.

Section 10

Upon email notification, an active member of the National Honor Society who transfers from this school and is a member in good standing will be given a letter indicating the status of membership signed by the principal. It is the member’s responsibility to inform advisers, so the letter may be ready for signature.

Section 11

An active member of the National Honor Society who transfers to VBHS will be automatically accepted for membership in this chapter after Advisers receive a physical or an emailed letter of good standing from the member’s previous school adviser and the Cumulative (State) GPA is 3.5 or higher. This new member must inform our Advisers and maintain the semester and yearly membership requirements for this chapter in order to retain membership.

Serious violations may cause immediate dismissal with the approval of both the Faculty Council and the principal. Once a member is dismissed, eligibility for future membership in the National Honor Society is null and void.
